

**Gulf Nova Scotia  
Commercial Bluefin Tuna Fishery  
2018 Conservation Harvesting Plan**

**Opening Date:**                    **August 1 – at 06:00 hours**

**Closing Date:**                    **December 1, 2018 – at 18:00 hours**

**Quota / Tags**                    **For the purpose of tag distribution in 2018, the estimated average weight used will be 272.2 kg (600 lbs) per fish.**

**Quota =      56.886 t (53.462 t initial + 3.424 t carry forward) = 209 tags**

- **The tags will be allocated as follows:**
  - **Using the revolving list (Annex 2 attached) 209 tags will be issued.**
  - **The initial 209 tags available must be picked up by October 3, 2018.**
  - **Landings will be reviewed and if additional tags are available, the 2018 revolving tag list will be continued.**

**Mexican Quota**

- **There is approximately 8.43 t available to the GNS fleet which will be managed with the GNS Tuna Association and any Indigenous licence holders who have signed separately to participate in the Use of Fish agreement.**

**The tags and Conditions of Licence will be valid for the entire 2018 season unless the season is closed by Variation Order. There will be no reallocation of tags in 2018.**

**See Annex 1 – GNS Tuna Fleet Quota Self Adjusting Mechanism**

**Tag Availability:**

- Commercial tags will be available at the Gulf Nova Scotia Area Office on Mondays from 1:00 pm – 4:00 pm and Thursdays from 1:00 pm – 4:00 pm. If licence holders are unavailable to pick up tags during these periods they are to contact Licensing by calling 1-855-634-2355 or by emailing [GulfInfoGolfe@dfo-mpo.gc.ca](mailto:GulfInfoGolfe@dfo-mpo.gc.ca) to make alternative arrangements for tag pick up during these periods.
- Dart tags are available from Gulf Nova Scotia Tuna Association executives.

**Tag Transfer:**

Tag transfers are permitted. Licence holders may receive a maximum transfer of four tags during the season. A tuna licence holder can only do one of the following, not both:

- *Transfer tag(s) to another fisherman,*
- *Receive tag(s) in a transfer.*

**Quota Reconciliation:**

If the 2018 GNS Fleet quota is exceeded, the 2019 quota will be reduced by the same amount.

**Carry Forward:**

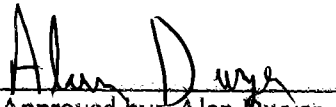

Any uncaught quota up to 10% of the initial allocation will be carried forward to 2019 for the Gulf Nova Scotia fleet. Any amount above this level will be rolled into the 2019 Canadian quota.

**Dockside Monitoring**

Licence holders are required to hail out prior to all fishing trips and hail in to a Dockside monitoring company prior to returning to port for every trip, regardless if a fish has been caught.

**Ex-Sector:**

Licence holders wishing to participate in the Ex-Sector Fishery must contact Barbara MacArthur.

  
Approved by: Alan Dwyer  
Area Manager, Resource Management  
Gulf Nova Scotia

# Annex 1

## Quota Self Adjusting Mechanism GNS Tuna Fleet

1. The number of commercial Bluefin Tuna licence holders in Gulf Nova Scotia is 135.
2. The number of tags available for allocation in a given year is based on the GNS Fleet quota and the projected average weight of a fish.
3. The number of tags available per licence holder will be calculated by dividing the number of tags available by the number of eligible licence holders. The whole number will be allocated equally among eligible licence holders and all portions or percentages will be accumulated and the resulting number of tags allocated by using the revolving tag list.
  - Ie: a)  $90 \text{ tags for allocation} / 135 \text{ licence holders} = .66 \text{ tags per licence}$ . The revolving tag list will be used for the 90 tags among the 135 licence holders
  - b)  $175 \text{ tags available for allocation} / 135 \text{ licence holders} = 1.30 \text{ tags per licence}$ . All licence holders will receive one tag and the revolving tag list will be used for the remaining 40 tags available
  - c)  $285 \text{ tags for allocation} / 135 \text{ licence holders} = 2.11 \text{ tags per licence}$ . All licence holders will be allocated 2 tags and the revolving tag list will be used for the remaining 15.
